OSOROK

ROOM101 LTD OSOK EDITION

“ONE SHOT, ONE KILL”

Edgar Hoill (One Shot, One Kill), is the Los Angeles based photographer responsible for all of the Room101 imagery you find floating around in the universe. From product imagery to lifestyle shots and beyond, Edgar's keen eye and mental frame are what give his photography life beyond just a simple image on paper.

I've had the honor of working with OSOK over the past few years. During this time, I have come to know him as an individual whose character matches up to the quality of his work. His magnetic personality draws people towards his genius imagery and towards OSOK, the character.

I am honored to call Mr. Hoill a good friend and a brother in this lifetime. He is an original member of the 101 family and we would not be where we are today without him. As he has also been a long time cigar enthusiast, I am proud to offer this limited series bearing his name.

Each of the Room101 OSOK cigars were rolled, and then hand-shaped by one master roller in our factory. The blend, considered to be a medium plus, is built on a chassis of Authentic Corojo in the binder and filler. The oily Ecuadorian Habano wrapper adds smoothness, while the combination of Corojo and Dominican Piloto Ligero help further the strength as you move through the smoke.
